Awards Sponsored by Nikon

New York, NY-April 20, 2009--- *Audubon* magazine is launching the 2009 Audubon Magazine Photography Awards: Birds in Focus, created to celebrate the beauty and diversity of birdlife through the art of photography, and to honor the exceptional work of talented professional, amateur and youth photographers from all over the U.S.

Audubon will be accepting submissions online until July 15 in three categories: Professional, Amateur, and Youth. Photographers are encouraged to reveal a new angle or perspective in their work.
